To Whom It May Concern:

I am pleased to recommend Emily Roche for a teaching position. I have been her supervisor for 5 years as she has been the Literacy Coordinator for the Save the Children program and she was wonderful. She immediately adapted to this position with her organizational skills and perspectives.

Emily Roche is a real team player and always has the best interests of her students, and the school at large, at heart. She is a confident instructor and manages her classroom as if she's been teaching for years.

Emily has been a true asset to the Save the Children program and her job duties. Her job as the Literacy Coordinator has been to increase reading achievement of below-grade level students and to strengthen the literacy skills of beginning emergent readers.

The children and staff love Emily she is very tech oriented, wonderful with implementing schedules and her students love her. Emily puts her students first in everything she does. The school that ultimately hires Emily will find itself fortunate indeed.

Sincerely,

Heather Neeley
